

Wind  
Tunnel  
Tested

- Tried and tested products—as used by Emergency Services throughout the world.
- Range of different solutions depending on application:
  - Classic** simple and uncomplicated.
  - Utility** extremely compact when folded.
  - TriFlex** ultra-stable, even in the worst weather conditions.
- Wide range of interchangeable texts.
- Sign faces available with Standard or Superior Grade reflectivity or Encapsulated Non-Reflective.
- Can be printed with any sign design from UK or overseas specification.
- All metalwork corrosion resistant.
- Suitable for use in temperature range between  $-5^{\circ}\text{C}$  to  $+30^{\circ}\text{C}$ . Lower and higher temperature resistant product is also available on request.
